The Report provides
- A diagrammatic summary of the percentage responses to each of the dimensions
- Percentage responses to each item in each dimension according to year levels surveyed: combined, separately and by gender
- Comparative data between your school and All Schools. Schools using the program leave their de-identified data in a pool managed by ACER which can then be used as a reference point for each school taking the survey
- Reports are sent to schools within 10 working days

Versions to choose from
- PROGRAM A Focuses on SOCIAL dimensions
- PROGRAM B Incorporates a focus on commitment to GOD
- PROGRAM C Incorporates a focus on commitment to GOD and to JESUS

Overview

Developed by ACER, with the support of John XXIII College in Perth, the Attitudes and Values Questionnaire (AVQ) is a tool to gather meaningful data on secondary school students’ social, moral and spiritual development.

The AVQ provides an opportunity for schools to formally measure, and report to parents and community how well they are upholding their mission statements. The AVQ assesses the school’s capacity to develop moral, ethical, socially responsible students who can accept responsibility for their decisions and their place in the world.

Benefits for schools

Enables schools to:
- Monitor student & school progress in the development of personal qualities valued by parents and the community
- Gauge how effectively the school is contributing to aspects of the students’ emotional, social and spiritual development
- Enhance the school’s capacity to educate the whole person for life
- Target areas within the school for further resourcing and development
- Assess specific initiatives

The questionnaire addresses the following social dimensions:
- Conscience
- Compassion
- Emotional growth
- Social growth
- Service to others

Optional religious dimensions include:
- Commitment to God
- Commitment to Jesus

The Questionnaire

- Designed for secondary students
- 100+ questions
- Approx 30 minutes to complete
- Choice between Paper & Pencil or Online versions
- Can be administered to:
  - whole school
  - specific year levels
  - groups within year levels
  - as an Entry/Exit poll
  - past pupils 1–10 years after leaving school
- Students respond anonymously to a series of statements by choosing one of the four alternatives: strongly disagree, disagree, agree, strongly agree for each statement
