

CABTM Teacher Form

Score Report

(CABTM-T)

by

Bruce A. Bracken, PhD, and Lori K. Keith, PhD,
and
PAR Staff

Client Information

Child's Name: Sample Case #3

Gender: Male

Age: 8

Grade in School: 3rd

Date of Birth: 02/20/1998

Rater: Teacher

Name of Rater: Ms. Case

Has known student for: 9 months

School/Agency: Mt. Pleasant Elementary

Test Date: 12/01/2006

Use of this score report requires a complete understanding of the *Clinical Assessment of Behavior* (CAB) scale and its interpretation, applications, and limitations as presented in the CAB Professional Manual. This report contains raw and standardized scores from the CAB Teacher Form. Users should refer to the CAB Professional Manual for procedures and guidelines for the interpretation of this report. Users also should refer to the Professional Manual for information about the psychometric characteristics of the CAB.

This report should be used as only one source of information about the individual being evaluated. In this respect, no decisions should be based solely on the information contained in this report. The raw and standardized scores contained in this report should be integrated with other sources of information when making decisions about this child.

This report is confidential and is intended for use by qualified professionals who have sufficient knowledge of psychometric testing and the CAB. *This report should not be released to the respondent or to any individuals who are not qualified to interpret the results.*

CAB-T Score Summary
