

## Indigenous art

What did you find out about the piece of art your teacher showed the class?

---

---

---

---

---

---

What symmetry can you see in the piece of art?

---

---

---

Does removing the plant designs from the art increase or decrease the symmetry? Why or why not?

---

---

---

Does removing the witchetty grub designs from the art change the symmetry? Why or why not?

---

---

---

Can a rectangle have all the same symmetry as a square? Why or why not?

---

---
