

## Hal's ceiling II

Draw a strip of trapezium-shaped tiles that Hal could use on his ceiling.

A large, empty rectangular box with a thin black border, intended for a student to draw a strip of trapezium-shaped tiles.

Could you use the strip method to tile Hal's ceiling with *any* 4-sided shape? How?

---

---

Draw a strip of tiles using the first shape your teacher gave your group.

A large, empty rectangular box with a thin black border, intended for a student to draw a strip of tiles using the first shape provided by their teacher.

Draw a strip of tiles using the second shape your teacher gave your group.

A large, empty rectangular box with a thin black border, intended for a student to draw a strip of tiles using the second shape provided by their teacher.
