

Guidelines for Planning and Developing your ERP Artefact Grade 5

	<i>Extremely high level of learning</i>	<i>High level of learning</i>	<i>Satisfactory</i>	<i>Needs to work much harder</i>
<p>Written project</p> <ul style="list-style-type: none"> • poster • booklet • manuscript 	<ul style="list-style-type: none"> • Written work shows minimal errors • Information is carefully selected, relates to ERP proposal and includes a wide range of sources • Demonstrates own interpretation and expression through images and other visuals • Displays information in multiple ways 	<ul style="list-style-type: none"> • ERP is organised with headings and subheadings • Text and graphics are placed to make the ERP easy to read • Minimal misspellings or grammatical errors • Writing is interesting and includes details to answer all points from ERP proposal 	<ul style="list-style-type: none"> • Information is presented in a logical sequence and includes a title, subheadings and paragraphs • Visuals mostly support text and ERP focus • Some misspellings and grammatical errors • Factual information is provided with little student interpretation 	<ul style="list-style-type: none"> • Writing needs to include more details • Information needs to be sequenced so that it is easier to read and follow • More use of visuals is required (diagrams, figures, pictures) • More organisation is required for the layout
<p>PowerPoint presentation</p>	<ul style="list-style-type: none"> • Content is well organised with text and graphics, making slides easy to read and understand • Presentation is engaging with the use of colour, images, transitions and hyperlinks • Font size is at least 14 pt and a variety of font sizes are used to differentiate information 	<ul style="list-style-type: none"> • Presentation is engaging with use of colour, images and transitions • Headings and subheadings are used and only relevant information is included • Font size is at least 14 pt 	<ul style="list-style-type: none"> • Colour and images are used to enhance presentation • Some originality used to create an interesting presentation • Information is in a logical sequence • Headings are included • Font size is at least 14 pt 	<ul style="list-style-type: none"> • More information required on each slide • More colour, effects and visuals are required to support presentation • Font size should be at least 14 pt

<p>Performance</p> <ul style="list-style-type: none"> • play • movie • speech 	<ul style="list-style-type: none"> • Holds attention of entire audience with the use of direct eye contact • No reference made to notes • Voice is clear and enhances performance with volume, intonation and pauses • Information includes facts, quotes and paraphrasing from reliable sources 	<ul style="list-style-type: none"> • Consistent use of direct eye contact with the audience • Information includes interesting details presented in a creative way • Little reference made to notes • Voice is clear with good use of volume, intonation pace and pauses to enhance performance 	<ul style="list-style-type: none"> • Information is presented in a clear, sequenced and engaging way • Makes some reference to notes • Displays some eye contact with the audience • Voice is clear and uses intonation and some props to add to the performance 	<ul style="list-style-type: none"> • Need to remember to use volume and clear speech to enhance performance and ensure audience can hear and understand • More eye contact needs to be made with the audience • More practice and rehearsals required so that notes are relied on less • Some additional props would enhance performance
<p>Artwork</p> <ul style="list-style-type: none"> • painting • sculpture • sketches • cartoons 	<ul style="list-style-type: none"> • Artwork demonstrates a unique level of originality • There are thoughtful and detailed links to ERP focus 	<ul style="list-style-type: none"> • Artwork shows original and creative skills • Links to ERP focus are clear 	<ul style="list-style-type: none"> • Artwork is creative and shows some link to ERP focus 	<ul style="list-style-type: none"> • More evidence of original thought required for artwork piece • More relationship required between artwork and ERP focus
<p>Model or diorama</p>	<ul style="list-style-type: none"> • Model/diorama demonstrates a unique level of originality and design • Representation shows thoughtful and detailed links to ERP focus 	<ul style="list-style-type: none"> • Model/diorama shows original and creative skills with the use of a wide variety of materials • Shows careful planning and clear links to ERP focus 	<ul style="list-style-type: none"> • Model/diorama is creative and shows some link to ERP focus • Includes a range of materials to support an original design 	<ul style="list-style-type: none"> • More detail required, particularly with colour, design and use of a variety of materials • More relationship required between model/diorama and ERP focus
<p>Music</p> <ul style="list-style-type: none"> • singing/song-writing • instrumental • musical • opera 	<ul style="list-style-type: none"> • Demonstrates own interpretation of research material in an original way through music • Performance shows thoughtful and detailed links to ERP focus • Performance is timed well and captivates whole audience 	<ul style="list-style-type: none"> • Expression through music is captivating, original and relevant to ERP focus • Performance is well timed and audience is very engaged 	<ul style="list-style-type: none"> • Makes some links to ERP focus through music • Performance is delivered with a few errors • Performance is easy to follow and understand 	<ul style="list-style-type: none"> • More links required to demonstrate and show evidence of achieving ERP goals through music

Education Research Project (ERP) Assessment Guide Grades 5–6

	<i>Extremely high level of learning</i>	<i>High level of learning</i>	<i>Satisfactory</i>	<i>Needs to work much harder</i>
<i>Proposal preparation, consideration and completion</i>	<ul style="list-style-type: none"> • Completes proposal independently with considerable detail • Locates information from a wide range of sources and adjusts search as new information is found • Independently makes clear links between set criteria and area of interest 	<ul style="list-style-type: none"> • Able to complete proposal independently • Locates information from a wide range of sources • Identifies some links between set criteria and area of interest 	<ul style="list-style-type: none"> • Able to complete proposal with a little support • Able to locate information from some sources • Contributes ideas to link set criteria to own interests 	<ul style="list-style-type: none"> • More effort is required when completing proposal • Extra support and ideas required to complete proposal • Has difficulty locating information from possible sources
<i>Timeline</i>	<ul style="list-style-type: none"> • Uses time very well • Completes work ahead of schedule 	<ul style="list-style-type: none"> • Completes work on time • Monitors and manages work habits and schedule well 	<ul style="list-style-type: none"> • Completes most work on time • Monitors schedule reasonably well 	<ul style="list-style-type: none"> • More attention to timelines required • More attention to monitoring own progress required
<i>Student-led conference</i>	<ul style="list-style-type: none"> • Well prepared to lead conference • Provides clear, detailed and logical information on progress 	<ul style="list-style-type: none"> • Well prepared to lead conference • Provides clear and accurate information on progress 	<ul style="list-style-type: none"> • Able to lead conference and explain current progress with ERP 	<ul style="list-style-type: none"> • Information and progress must be clear • More focus required during conference
<i>Personal goals</i>	<ul style="list-style-type: none"> • Thoughtful and appropriate choice of personal goals 	<ul style="list-style-type: none"> • Able to set personal goals independently 	<ul style="list-style-type: none"> • Able to set personal goals with little support 	<ul style="list-style-type: none"> • Less teacher support should be used in setting personal goals
<i>Project goals and intentions achieved</i>	<ul style="list-style-type: none"> • All project goals have been achieved and exceeded • Able to elaborate on goals, intentions and understanding of ERP 	<ul style="list-style-type: none"> • All project goals have been achieved • Able to articulate project goals and intentions and carefully monitor these throughout ERP 	<ul style="list-style-type: none"> • Nearly all project goals are completed • Needs a little support to articulate or demonstrate achievement of goals 	<ul style="list-style-type: none"> • More attention to demonstrating evidence of achieving project goals required
<i>Peer assessment</i>	<ul style="list-style-type: none"> • Demonstrates an ability to constructively review and integrate feedback from peers 	<ul style="list-style-type: none"> • Attentive to feedback from peers and provides thoughtful review 	<ul style="list-style-type: none"> • Listens and responds positively to feedback 	<ul style="list-style-type: none"> • Work towards better listening and reviewing of peer feedback
<i>ERP artefact artwork</i>	<ul style="list-style-type: none"> • Artwork demonstrates a unique level of originality • Demonstrates thoughtful and detailed links to ERP focus 	<ul style="list-style-type: none"> • Artwork shows original and creative skills • Links to ERP focus are clear and related 	<ul style="list-style-type: none"> • Artwork is creative and shows some link to ERP focus 	<ul style="list-style-type: none"> • More evidence of original thought required for artwork piece • Clearer relationship required between artwork and ERP focus
