

VCAA Language Assessments

A range of assessments designed to support teachers implementing the Victorian Curriculum F-10 Languages.

The VCAA Language Assessments are delivered through the ACER online platform, called the Online Assessment and Reporting (OARS) platform. Once you have set up an online account and administered the language assessments to your students, you will be able to generate various online reports, including Group Report and Individual Report. The video demonstrations and instructions for generating reports are available under the **Help** page. To go to the **Help** page, log in to your school account and click **Help**.

REPORTS

Reports can be generated by account administrators, candidate managers and report generators immediately after students complete their tests.

Your school's OARS system is self-managed, giving you flexibility in the process of administering and reporting on tests.

All reported scores have a margin of error, which should be taken into account when reading and working with the reports.

Being able to read and analyse test data is a key skill for educators in schools who intend to use the data to inform their learning and teaching programs. ACER provides professional learning to assist educators in this area.

Use the navigation pane on the left to find more information about how to generate and use the online reports.

GENERATE REPORTS

1. Log in and go to the **Students** page.
2. Filter and select the students you wish to generate a report for. You can select a student by marking/ticking the checkbox to the left of the student's name, or by clicking **Select all students**.

VCAA Language Assessments Demo

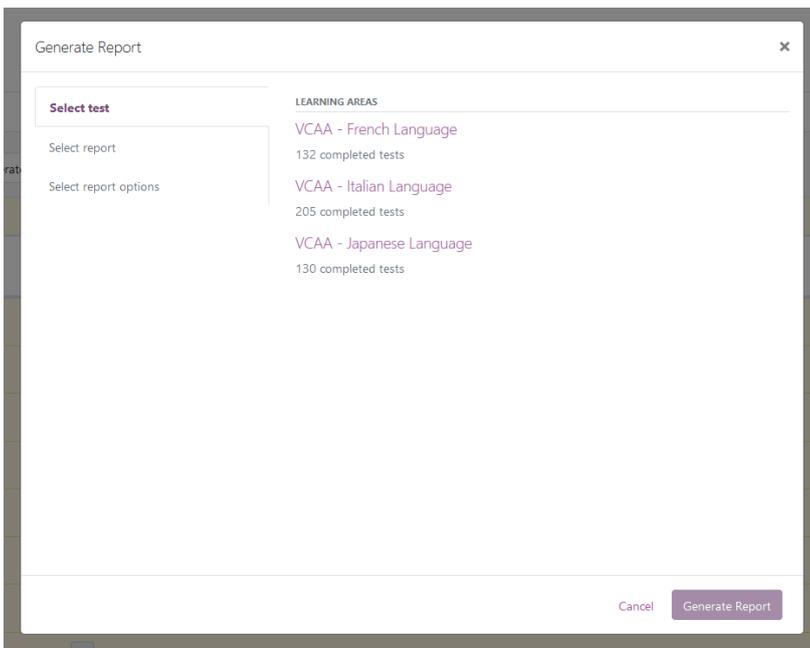

The screenshot shows the VCAA Language Assessments Demo interface. At the top, there is a navigation menu with links for Home, Students, Staff, Reports, Store, Account, and Help. Below the menu, there are several tabs: Tags, Tests, Manage, Login details, and Generate Report. The 'Login details' tab is active, and a red circle highlights the 'Select all students' button. The main content area shows a table with columns for Name, Year Level, and Tags. The table is currently empty, and the text 'All enrolled students' and '0 students selected' is visible. A 'Select all students' button is circled in red. The bottom right corner shows '1 - 25 of 45' and navigation arrows.

3. Click on **Generate Report**.

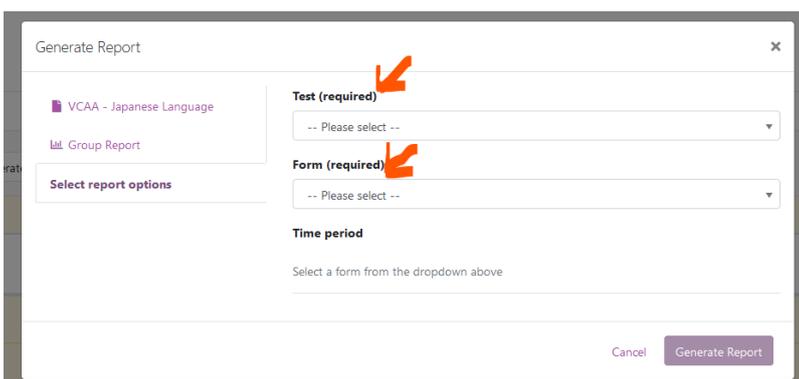

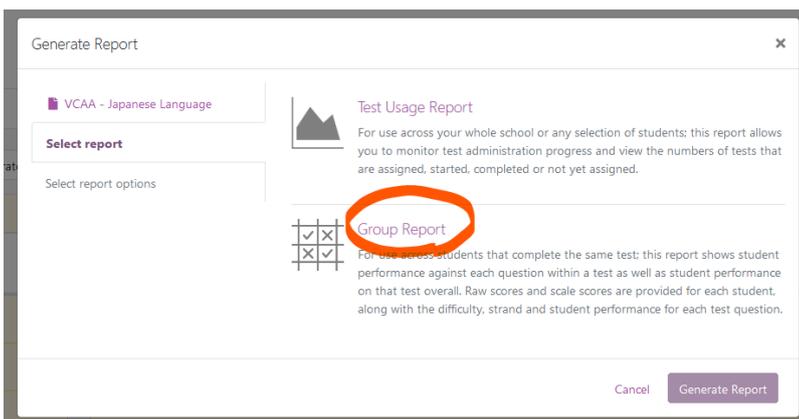

VCAA Language Assessments Demo

4. Select the assessment to report on from the menu.

5. Choose the report type you wish to generate and any required fields (i.e. Test form).

6. Select the time period to report on from the graph.

- You may need to **Reset zoom** if no results are displayed.
- You can click and drag across the chart to highlight and select a date range for the report.
- You can manually input a date range using **From** and **To**.
- You can choose a specific date by clicking on that date's bar graph.

The screenshot shows the 'Generate Report' window. On the left, there are navigation options: 'VCAA - Japanese Language' (selected), 'Group Report', and 'Select report options'. The main area contains the following fields:

- Test (required):** VCAA Japanese
- Form (required):** JPN Listening A (86 results)
- Time period:** A bar chart with the y-axis labeled 'Completed tests' ranging from 0 to 50. The x-axis shows dates: Jan '18, Jul '18, and Jan '19. There are two purple bars, one between Jan '18 and Jul '18, and another between Jul '18 and Jan '19. A 'Reset zoom' button is located in the top right of the chart area.
- From:** 3/3/2018
- To:** 10/10/2018

Below the chart, there is a text prompt: 'Enter a date range above, or click-and-drag across the chart to highlight the date range for the report.' At the bottom right, there are 'Cancel' and 'Generate Report' buttons.

7. Click **Generate report**, and then **View report**.

This screenshot is identical to the one above, showing the 'Generate Report' window with the same settings and chart. The only difference is that the 'Generate Report' button at the bottom right is circled in red, indicating the next step in the process.
