

The event

Imagine you are in a crowd at an event.

The event may be a festival, a parade or a ceremony.

Write a description of this event.

Thinking about your description

- What is happening?
- Where is it happening?
- Who is there?
- What are they feeling?

Use enough detail to make the event come alive:

- describe what you can see, hear, smell or even touch
- create a mood (atmosphere) for the event by using interesting words and phrases.

Thinking about your reader

Make your writing interesting and write clearly:

- select your words carefully (vocabulary)
- write your sentences correctly (word order and punctuation)
- organise your ideas (paragraphs)
- improve your work (editing - adding or changing some words or sentences).
