

## **FAQ - General Questions**

### **How should I submit the answer sheets?**

Please bundle the answer sheets according to how you require them to be reported. Information on how to administer the tests and to submit the answer sheets can be downloaded at the right side of the website.

### **How do I tell TSA what reports we want?**

You can download one of our Order Forms located at the right of the website and send it in together with your answer sheets. You can also use our online calculator located on the top right of the website to obtain a quote and print out the summary to be sent in together with your answer sheets.

### **How do I know which report to order?**

For more information about report descriptions and features, please refer to the Range of Reports link under Brochures on the right of our TSA website.
