

ART-2 General / Clerical Results

J. Goodluck

The Applied Reading Test - Second Edition (ART-2) General / Clerical Booklet is a measure of the ability to understand written material commonly seen in the context of an administrator / clerical position or course. It is indicative of the ability to read and understand information in a variety of formats (e.g., emails, signs, instructional texts, brief legal notes). This involves the ability to recognise the words, understand what they mean individually and in a sentence, as well as apply and demonstrate this understanding when answering the questions.

Candidate Name:	J. Goodluck
Test:	ACER ART-2
Sub-test:	General / Clerical
Raw Score:	25
No. of Questions Attempted:	25
Maximum Possible Raw Score:	30
ART-2 Scale Score:	68
Percentile Rank:	46
Stanine Score:	5 (Average)

Percentile Ranks show the percentage of the reference group with scores below the candidate's score. For example, a percentile rank of 58 means the candidate has scored better than 58% of the reference group. Percentile ranks range from 0 to 100, with a higher score indicative of a higher level of reading ability.

Stanines provide a score for the individual compared to the reference group ranging from 1 to 9, with higher scores indicative of a higher level of reading ability. For example, a stanine of 2 means the candidate has scored well below average in comparison to the reference group.

ART-2 Scale Scores allow for comparisons among test-takers using different test forms. For more information, please look in the manual.
