5. **Policy principles and procedures**
   i. Under the provisions of the *Higher Education Support Act 2003* and the Higher Education Provider Guidelines 2012, ACER is required to provide tuition fee assurance arrangements for Australian citizens or holders of an Australian
permanent humanitarian visa who are enrolled in the Higher Education Courses or Units it offers. In the event that ACER ceases to offer a Higher Education Course or Unit, affected Students will be notified in writing, of ACER’s decision, within two days, and within seven business days ACER will hold a meeting with those Students.

ii. Affected Students will be offered a full refund of tuition fees.

iii. Where Students wish to complete the Course, rather than receive a full refund, ACER will support those Students, to the best of its ability, to enrol in a similar Course of study with another provider, offering full credit transfer for successfully completed Units, as evidenced by a Statement of Attainment. The new Course must lead to the same or comparable Award qualification as the original Course.

iv. In the result that a similar Course cannot be identified, Students will receive a full refund.

v. A Student who accepts the replacement Course will not be required to pay the second provider for the replacement components of the replacement Course. However, the fees payable for the remainder of the replacement Course may be different from the fees payable for the original ACER Course.

vi. Also see the ACER Tuition Fee Assurance Statement.

6. Dispute resolution

Should a dispute arise in relation to the interpretation or application of this policy or its procedures a Grievance may be notified and managed in accordance with the ACER PP3111 Student Grievance Resolution Policy.
